CAMP E.D.G.E. is GREAT!

...According to John

The new “program year” at Central Christian Church begins July 1 when we will have new officers, board members and committees doing the mission and ministry of Jesus Christ in this place. You will remember we changed our fiscal year to a calendar year a while back. Now our budget, financial accounting and giving records match the January 1 to December 31 calendar. The program year, however, remained from July 1 to June 30.

There will be a Special Board Meeting at 11:30 a.m. on Sunday, June 21st, to approve the new board officers, elders, deacons and some special committee members. There will also be two brief business items. This meeting will occur in the Sanctuary. All current board members need to be present.

There will then be Congregational Meetings during both Sunday morning services of worship on Sunday, June 28th, to ratify the selection of officers.

This Sunday there will be information at the Welcome Center and in the bulletin about our new program year’s committee and task group opportunities. I encourage you to select the place you want to serve.

Remember a few weeks ago I asked you to identify your passion, not what you want someone else to do, but what you are willing to do. This year we are leaving the committee and task group membership open. In other words, you can serve where you choose, not where you are appointed.

Please prayerfully consider the ministry in which you want to participate and follow your interest and passions.

Grace and peace,
JPMc

Kids Central News

Kids Central is now using a new center-wide curriculum. This curriculum allows the children to explore a well rounded balance of learning experiences and opportunities to develop important skills needed to be successful in school. The teachers are really enjoying the ease of lesson planning and the children love the activities!

The 3 and 4 year old class recently visited CiCi's Pizza. They toured the facility and then helped make their own pizza. We had a lot of parent involvement for this trip and everyone had a great time.

Week of Compassion Needs Your Help!

Week of Compassion asks for your prayers and support as we, through our trusted partner organizations, especially Church World Service and Action by Churches Together, to respond to the grave situation in Pakistan.

More than 2.5 million people have been uprooted leading this to become the largest displacement of people since Rwanda, the largest displacement in 15 years.

There is an urgent need for money for the relief efforts. The weather has been harsh with temperatures soaring and with increasing needs of food, clean water, shelter and clothing. Over half of the IDPs (internally displaced persons) are under the age of 15.

To make an on-line donation go to www.weekofcompassion.org or send your check to Week of Compassion, P. O. Box 1986, Indianapolis, IN 46206.

Coffee Stains

I wanted to start by saying what an awesome job our youth are doing at vacation bible school. Every time I look up I see a new leader forming before my eyes and it is so special to witness that change. Thank you to all of you who are offering time and talents to others in our church. You are a blessing and I hope you are also blessed in return.

I am taking a moment to remind you of some of the

missions and ministries our youth perform.

We collect cans and take them to the recycler. We have helped with the out door play ground, and painted downstairs in the Education Wing. We even have a couple of volunteers that perform special duties for our church. The next time you see a youth stop and give them a pat on the back for being the “top shelf” folks they really are. Peace, J Dubs.
